- B** It changes feelings, too. It can make us sad and it can make us happy. It can make us quiet when we are angry. It can even make us feel better when we are sick. Music is amazing!
- C** It is ancient, too. Thousands of years ago, people used to sing folk songs about their simple lives. And from these came much modern music – rock music, for example, in America in the 1950s.
- D** Classical Arab music developed many centuries ago from the folk music of many cultures and from their poems. People used to put these to music, so singing was very important – and still is. People love great singers like Oum Kalthoum and Farid Al-Atrash.
- E** However, musical instruments are very important, too, and many people agree that the greatest of these is the 'oud. People used to play a simple kind of 'oud six thousand years ago, but musicians developed the modern instrument about a thousand years ago. It remains a very important instrument today.
- F** Arab music gave much to the music of Europe – like the 'oud, for example. There, the modern guitar developed from it two centuries ago, and this is now the world's favourite musical instrument.

The image shows two overlapping browser windows. The top window displays a website titled "About Yosemite" with a background image of a waterfall. The text on the page reads: "Yosemite is an amazing place. It has mountains, valleys, lakes, rivers and the highest waterfalls in America. The wildlife is amazing, too – most of all the huge trees. Some are 90 metres tall. When people started cutting down the trees and damaging this beautiful place, the United States decided to make Yosemite a National Park back in 1890. This has protected Yosemite since then, but people have become a problem again. For over a century, more and more visitors have arrived each year. They love the Park, but millions of cars and heavy feet badly damage it, too. So Yosemite still needs help, and thousands of young volunteers join together to give it every summer." The bottom window shows a page titled "Young Friends of Yosemite" with a blue header and a yellow text box. The text box contains a testimonial from Tony Ross: "Hi! I'm Tony Ross. I'm working for Young Friends of Yosemite, and my group have been here for three weeks now. We're staying at a campsite in the mountains, and we have several jobs. Visitors come and go every day, and we clean and tidy up before the next people arrive. We also work in the woods and keep the paths safe. Since our group started working together, we've become great friends. We work hard together, and we also have fun together. Last Saturday, we went white water rafting, and I've never enjoyed myself so much in all my life!" To the right of the text is an illustration of a hiker with a backpack, and below that is an illustration of people white water rafting.

**Sami** Thanks. I'll do that. I mustn't lose my place in the team!

A month later ...

**Doctor** How have you been getting on since our talk last month?

**Sami** Really well. I read the book, and I've been doing what it says since then. I've been sleeping much better.

**Doctor** I can see that. You don't look tired today. Have you been eating better, too?

**Sami** Yes, and I feel much healthier now. Thanks for all your help.

## The healthy living quiz

by Julie Good

Do you live a healthy life? You'd better do our quiz and find out?

**1** You've been putting on weight, and you want to lose some. Should you:

- |  |  |
|--|--|
| <p><b>a</b> start missing complete meals? <input type="checkbox"/></p> <p><b>b</b> stop eating things like bread and rice? <input type="checkbox"/></p> <p><b>c</b> do more exercise? <input type="checkbox"/></p> | <p><b>1a</b> This is bad for you, so you'd better find another way.</p> <p><b>1b</b> Your body can use fat instead of these things, and so you lose weight. But this can be unhealthy and dangerous, so you'd better not do this.</p> <p><b>1c</b> This is the best way. What about walking for an hour every day? You could start a new sport, too.</p> |
|--|--|

**2** You've been studying late every night for a big test, and you've been drinking coffee to stay awake. But when you go to bed, you can't sleep! Should you:

- |   |   |
|---|---|
| <p><b>a</b> do lots of exercise before bed to make yourself tired? <input type="checkbox"/></p> <p><b>b</b> stop trying to sleep and go back to your books? <input type="checkbox"/></p> <p><b>c</b> stop drinking coffee late, finish work earlier and do something quiet before bed? <input type="checkbox"/></p> | <p><b>2a</b> Exercise every day can help you sleep – but not exercise just before bed.</p> <p><b>2b</b> Bad idea! When you're tired, you'd better not go on. You can't learn anything.</p> <p><b>2c</b> Coffee keeps you awake, so don't drink coffee late. And yes, do something quiet. This will help you to sleep.</p> |
|---|---|

**3 Listen and read aloud.**

**1 Read to find information.**

First, read what these people want to do. Then get the information from the quiz to do these tasks.

- 1 Say what is wrong with their ideas.
- 2 Say what they can do instead.

1

I need to go to sleep quickly, so I'm going to go running before I go to bed and make myself tired.

2

I really want to lose weight fast, so I think I'd better stop eating for a week.

**Adnan** It's hers. Mine is over there by the stairs.

**Yasmeen** (Yasmeen arrives.) Yes, I've got training at the club today. Our coach says we really mustn't miss it. We have to practise more.

**Adnan** I mustn't miss my training, either. You see, Omar, our teams both have big matches tomorrow.

**Omar** What kind of sport do you mean? Basketball? Volleyball?

**Yasmeen** No, soccer.

**Omar** Soccer? What's that? I've never heard of it.

**Adnan** Oh, yes, it's soccer here in America, but everyone else calls it football.

**Omar** Ah, football! I love the game.

**Adnan** What about training with me this evening?

5 Work in pairs. Ask and answer questions.

**Student A:** Act as the interviewer. Ask her questions.

**Student B:** Act as Salem, Fatima or Hazem. Answer the questions for them. Then answer the questions for yourself.

What kinds of sport do you do?

I often ...    I ... a lot.    I sometimes ...

And do you do anything else?

I ..., too.    I ..., too.    I ..., too.

**1 Look at the picture. Answer the questions.**

- 1 What kind of game does this seem to be?
- 2 Why does this look like a game from the past?
- 3 What looks different from the modern way of playing the game?
- 4 What is different about the things that modern players wear?

**2 Read and mark the sentences true (✓) or false (✗).**

- 1 Games with teams that compete are not just a modern idea.
- 2 Long ago, games used to have clear rules.
- 3 Players from just one team decided the rules of the game.
- 4 Today, people round the world love football more than any other game.
- 5 Schools do sports to give their pupils a rest and some fun.

**Work in pairs. Check your answers and correct the false ones.**

**People and games**

1 People have been playing team games since ancient times. But why? Well, people have always loved to be part of a great team, to compete their hardest with others, and to win, too.

We still love our games, but games have changed. They have changed because now there are clear rules. These make everything about a game clear to everyone.

5 Take football, for example. In the past, hundreds of people sometimes played for days. There were no ‘rights’ and ‘wrongs’ – and matches were not very safe, either: players often kicked each other more than the ball! Then, in 1863,  
10 players from different teams met, decided the rules together, and invented the modern game.

The rules have helped to make football the world’s favourite sport. People everywhere understand it and play it. So at any time someone somewhere in the world is scoring a goal.

15 That someone is often a young player in a school game. But why play football at school? Well, many people think that sport helps to make us better people, and so games are an important part of school life in many countries. They include football and other games like volleyball and basketball, and teams from different schools compete hard to win. When they do, everyone down to the smallest pupil is proud and excited!

**3 Listen and read aloud.**

**Did you know ...?**

In 1934, Palestine was the top team from Asia in the World Cup. Sadly, Palestine lost 2–1 to Egypt, the top team from Africa. Since then, the day of that match, 6th April, has become Palestine’s National Sports Day.

## 1 Read to find information.

First, read what these people are asking.

1

What's wrong with the old game of football. What do we need to change?

Now get information from the text on page 56 to answer them.

- 2 Say how games can help make the pupils better people.

## 2 Read again and answer the questions.

- 2 In England, what was football like in the old days?
- 3 When and how did the modern game start?
- 4 How have rules helped to make football the world's favourite game?

- 2 Line 6: There were no 'rights' and 'wrongs' ...
- 3 Line 11: That someone is often a young player in a school game.
- 4 Line 11: But why play football at school?

## 4 Work in pairs. Discuss the questions.

- 2 Which do you play / would you like to play? Are there any that you would not like to play?
- 3 Do people play in school time or at the end of school? Do you agree with this, or should it change?
- 4 Do you think it is important to compete with other schools and win, or is it fine just to play games for fun?

**1 Make words from pairs of words.**

Young Times

20 December 20..

## Help, everyone! What should I do?

*Dear All*

My best friend and I tell each other all our secrets, and we never tell anyone else. That way, we can trust each other completely.

The problem is this: he’s planning to do something dangerous, and it may hurt other people. So should I tell his parents? If I do that, I’ll lose my best friend. I really don’t want that to happen.

*Worried*

**1 Dear Worried**

*I’ve been in the same situation recently, and it’s hard. But you’ve already said it: if you don’t do something, bad things really may happen. You’ll feel terrible if they do, so you really should tell his parents. In fact, you must!*  
Karen M.

**3 Dear Worried**

*Tell him you’re worried. Say you won’t be friends if he goes on. But if that doesn’t work, don’t tell his parents or anyone else. You can never break his trust!*  
Alice T.

**2 Dear Worried**

*If you talk, perhaps he’ll understand the danger better. If that happens, I’m sure he’ll stop.*  
Tom B.

**4 Dear Worried**

*Clearly, you should tell an adult immediately. (Instead of his parents, what about a teacher you both trust?) If he’s a real friend, he’ll understand. At first, he may be angry, but in the end, perhaps you’ll become even better friends!*  
Alan Z.

**3 Listen and read aloud.**

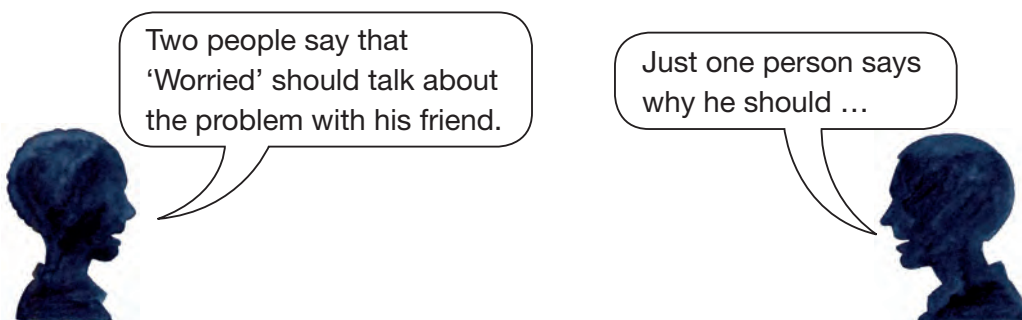

**1 Read to find information.**

Read the four answers to ‘Worried’ and complete the table. Which answers say:

- 1 he should talk about the problem with a friend?
- 2 why he should talk about it with his friend?
- 3 he should tell the friend’s parents?
- 4 he can tell another adult?
- 5 why he should tell someone?
- 6 he should not tell his friend’s parents?
- 7 he and his friend may become even better friends?

- 2 Worried: I really don’t want that to happen.
- 3 Answer 1: You’ll feel terrible if they do.
- 4 Answer 1: In fact, you must!
- 5 Answer 2: ... if he goes on.
- 6 Answer 2: But if that doesn’t work, ...

- 1 Say what you think ‘Worried’ should do.
- 2 Say why.

**1 Complete the sentences.**

  - 2 Before you write, check your guesses. Find the adjectives in brackets.
- 1 Tariq was very pleased when he found his watch again. (sedleap)
  - 2 Rima was really \_\_\_\_\_ when her father had to go to hospital. (rowride)
  - 3 Huda was very \_\_\_\_\_ when she could not think of the other girl's name. (sarebsadrem)

**2 Find words in the text to complete the table.**

Adjective	Adverb
_____	dangerously
recent	_____
immediate	_____
clear	_____

**3 Complete the sentences. Use pairs of words from activity 2.**

**Remember: Adjectives tell us more about nouns. Othman has a *beautiful* voice. Adverbs with an *-ly* ending usually tell us more about verbs. Othman sings *beautifully*.**

- 1 **A** This letter asks for an \_\_\_\_\_ answer.  
**B** Well, you'd better write back \_\_\_\_\_.
- 2 **A** Khalid always drives \_\_\_\_\_, so we were all frightened.  
**B** Yes, and we were also on a very \_\_\_\_\_ road.
- 3 **A** We haven't seen Hassan for six months. Have you seen him \_\_\_\_\_ ?  
**B** No, and the most \_\_\_\_\_ address I have for him is 21 Hebron Road.
- 4 **A** I'm not very \_\_\_\_\_ what our science teacher was telling us.  
**B** I'm not either, so let's ask her to explain again more \_\_\_\_\_.

**4 Listen and check. Then practise in pairs.**

### 1 Read sentences 1–3.

- 1 If I **do** that, I **will lose** my best friend.
- 2 If he **is** a real friend, he **will understand**.
- 3 You **will feel** terrible if something bad **happens**.

Look at the sentences again. Choose the best way to complete statements 1–5.

- 1 These sentences say that something may \_\_\_\_\_ (be happening now. / may happen in the future.)
- 2 The 'may' idea comes in the part of the sentence \_\_\_\_\_ (with *if*. / with no *if*.)
- 3 The *if* part can \_\_\_\_\_ (only come first / come first or second) in the sentence.
- 4 The 'may' part of the sentence uses a verb in \_\_\_\_\_ (the present. / the future.)
- 5 The other part of the sentence uses a verb in \_\_\_\_\_ (the present. / the future.)

### 2 Write the verbs in the correct forms.

- 1 If you \_\_\_\_\_, perhaps he \_\_\_\_\_ the danger better. (talk) (understand)
- 2 If that \_\_\_\_\_, I'm sure he \_\_\_\_\_. (happen) (stop)
- 3 Say you \_\_\_\_\_ friends if he \_\_\_\_\_. (not be) (go on)

### 3 Work in pairs. Decide what to do together.

The weather forecast for Friday afternoon is strange. It may be warm and sunny, or it may be windy, or it may rain, or it may even be snowy!

**Make suggestions for each sort of weather.**

- A** If (it's windy), what about (flying our kites)?  
**B** Or we could (just staying at home) instead.  
**A** Fine. Let's do that.  
**A** If (it snows), what about (build a snowman)?  
**B** Or we could (have a snowball fight).  
**A** Good idea. That sounds like fun.

**Now say what you have agreed.**

- A** So we've agreed then. If it's windy, we'll ...  
**B** And if ..., we'll ...

**Now write what you have agreed.**

*If it is windy, we will ...* \_\_\_\_\_

### 4 Say what you think.

What do you think will happen if 'Worried'

- a) tells his friend's parents?    b) tells their teacher?    c) doesn't tell anyone?

**1 Complete the colour rules.**

Choose from the 'First part' and the 'Second part' colours to make true statements.

First part of the statement	Second part of the statement
red and blue      red and yellow	brown      green
blue and yellow      red and green	orange      purple

When you mix some colours together, you often get new colours. For example, you get \_\_\_\_\_ when you mix red and blue together. *You get green* \_\_\_\_\_ *You get orange* \_\_\_\_\_ *And you get brown* \_\_\_\_\_

**2 Work in pairs. Ask and answer questions about feelings and actions. Choose from these 'feeling' adjectives.**

embarrassed      pleased      scared      upset

What do you (often) do when you're (upset)?

When I'm (upset), I often talk to my parents about the problem.

**3 Write what Tony and Lucy are saying.**

come to (a) the mountains (see some amazing waterfalls)

come to (d) the national park (see some interesting animals)

arrive at (b) the town (find a good place to eat)

get to (c) the beach (find somewhere nice to swim)

- 1 **Tony** *If we go north, we will come to ...*  
**Lucy** *Yes, and if we do that, we will see ...*

**1 Talk about the pictures.**

- 1 What has Tina just said in the first picture, and how do the girls look?
- 2 What is the man in the second picture counting? Does he look happy, too?

**2 Listen to the poem and answer the questions.** 

What is the poem saying? Is it saying that it is better to be like the friends, Nadia and Tina? Or is it saying that it is better to be like the old man with his riches?

**The Gift of Friendship**

- 1 Friendship is a priceless gift  
That cannot be bought or sold.  
But its value is far greater,  
than a mountain made of gold.
- 5 For gold is cold and lifeless.  
It can neither see nor hear,  
and in the time of trouble  
It is powerless to cheer.  
It has no ears to listen nor heart to understand,
- 10 it cannot bring you comfort, or reach out a helping hand.

So when you ask God for a gift,  
be thankful if he sends  
not diamonds, pearls or riches,  
but the love of real TRUE FRIENDS.

15 *Helen Steiner Rice*

**3 Listen again to understand some new words. Then decide the meanings of these words and phrases.** 

- |                                   |  |
|-----------------------------------|--|

**4 Work in pairs. Mark the words that rhyme: a-a; b-b; c-c and d-d.**

**5 Listen again and check your work in activity 4. Then read out the poem.** 

**1 Listen and write down what you hear.**

- 1 \_\_\_\_\_, Tina was \_\_\_\_\_ when her \_\_\_\_\_ and \_\_\_\_\_.
- 2 Tina is \_\_\_\_\_ because she was \_\_\_\_\_ when Nadia \_\_\_\_\_.
- 3 Sam and his \_\_\_\_\_ because they never \_\_\_\_\_.

**2 Read the information and do the tasks.**

**What is a topic sentence?**

- There are usually several sentences in a paragraph. They go with each other because they are about the same idea.
- There is usually a sentence which expresses the most important idea of the paragraph. This is the topic sentence.
- The topic sentence is usually – but not always–the first sentence in the paragraph.
- Other sentences in the paragraph then develop the idea in the topic sentence.

**Now read the sentences of a paragraph. Find the topic sentence, and mark it 1.**

**Now number the other sentences in order 2 and 3.**

**Now check your work. Look at the first letter in period 5 paragraph 1.**

Sentence number	Sentences
	We never talk about them to other people.
	My best friend and I tell each other all our secrets.
	That way, we feel we can trust each other completely.

**3 Work with a partner. Choose the correct sentence parts to write the topic sentences for two paragraphs.**

traditional music (develop) / every culture music (be) at / heart / life  
 Arab music (be) much more / the singer and / song

\_\_\_\_\_ It makes us want to dance, and it helps us show our love. It changes feelings, too. It can make us sad and it can make us happy ...

\_\_\_\_\_ There are also the musical instruments. In ancient times, you could already see instruments quite like modern ones ...

**4 Complete a paragraph.**

Choose the letter to 'Worried' that you agree with most. Copy and complete the topic sentence. Then copy and continue two more sentences that develop the idea.

It seems to me that the best answer to 'Worried' is the letter from ...

I agree with (her/him) that ...

I also agree that ...

**Unit task:** Finding answers to problems.

**1 Work in pairs. Do these tasks to write another letter to *Young Times*.**

- 1 Read the sentences of Paragraph 1. Then read the one marked 1 again. This is the topic sentence.
- 2 Read again and number the other sentences in order. Underline words and expressions that help you.
- 3 Do the same with Paragraph 2.
- 4 Write out the letter. Start with *Dear All*. Then write the two paragraphs. Choose a word like *Worried*, *Upset*, *Embarrassed* or *Frightened* to finish the letter.

**Paragraph 1**

- I try to be friends with everyone, but they don't often want to be friends with me.
- I always have to wear old things, and I get really embarrassed.
- I think it's because they've got lots of money, and I haven't.
- My problem is this: I can't make new friends at my new school.
- So, for example, they often buy expensive new clothes, and I can't.

**Paragraph 2**

- For example, they invite me to sports and other things after school.
- So I just go home because I don't want to be even more embarrassed.
- 1 One or two people try to be nice to me but it doesn't really work.
- That's good, but I always feel the others don't want me there.

**2 Work in pairs. Share ideas for different answers you can give.**

Share ideas for different words and expressions you can use. Use some *if* ideas. Make notes.

**3 Work alone. Use your notes to write the answer you like best.**

**4 Work in groups. Read out your answers and talk about them.**

**5 Choose the best answer from your group and read it out to the class.**

The letter writer should read it out. The others can then explain why you all think it is the best.

**1 Describe the picture on page 77.**

- |   |   |                                       |
|---|---|---------------------------------------|
| 1 | The girl on the right is Tina,          | after Tina's brother's accident.      |
| 2 | When we first met them in Unit 1,       | when they were at an Arab restaurant. |
| 3 | Later, in Unit 2, we also heard them    | they were on the phone then, too.     |
| 4 | After that, we met them again in Unit 6 | and the one on the left is Nadia.     |

**2 Work in pairs. Do the tasks.**

Remember Units 1, 2 and 6. For each, note down something Tina said and something Nadia said. Now report your answers to the class.

**3 Listen and answer the questions.**

- 3 What is going to happen later this week?

**4 Listen and read.**

**Tina** Hello, Nadia. It's Tina.

**Nadia** Hi! It's good to hear you. Haven't you been away for a week?

**Tina** That's right. We've been staying with our cousins in the north. We used to live near them, and we always come back to visit them in the spring holidays.

**Tina** And what have you been doing?

**Nadia** Oh, lots of things.

**Tina** I called yesterday, but you didn't answer.

**Nadia** Sorry. We were at the cinema.

**Tina** What did you see?

**Nadia** The new Spiderman film. I was quite scared sometimes!

**Nadia** Guess what! I left my coat in the cinema.

**Tina** Really?

**Nadia** Yes, we ran back and looked everywhere, but we couldn't find it.

**Tina** That's terrible!

**Nadia** Yes, I was very upset, but everything was fine in the end. You see, the cinema people had it. They saw it was mine and gave it back.

**Tina** We'll be home on Wednesday.

**Nadia** Great! I can't wait.

**Tina** I can't, either. And listen, my birthday party is on Saturday. Can you come?

**Nadia** I'd better ask, but I think it'll be OK.

**Tina** Good, and if it's sunny, we could go to the park first.

**Nadia** Well, OK, but it won't be very warm. I'm pleased I got my coat back!
